Dear Hiring Manager,

Having managed accounts worth over \$20 million in billing, while maintaining all KPI in my previous position, I believe I am an ideal candidate for the Assistant Account Executive position.

I have a unique set of skills honed through traveling the world and interacting with people from all walks of life. I have a growth mindset and am highly adaptable, my unquenchable curiosity drives me to learn about everything around me, on top of that, my jovial personality makes me a pleasure to work with =). Given my background as service manager at AT&T, Co-founder & Partner of a growing business, and my experience in Management Consulting, I believe I can be of service to you and your company.

Despite being a major powerhouse in traditional advertising and marketing, Grey has an agile and adaptive approach to the ever changing landscape of digital marketing. Creating pop up stores to engage consumers on the go, Utilizing social media to embrace the idea of “let go to gain control”, and actively shaping global brand perception through online communication. As both a citizen of the world, and a digital native, I am confident I can help to contribute to any projects Grey plans to take on.

If given the chance, I would love the opportunity to sit down and talk with you to further discuss my qualifications and, if you’ll indulge me, about my “side hustle”. Attached is my resume, please feel free to contact me via Email or Phone. I sincerely and in all earnest look forward to hearing from you.

Best Regards,

Kyle Wang
