Dear Hiring Manager,

Having managed accounts worth over \$20 million in business, and achieved all KPI in my previous position, I believe I am an ideal candidate for the Assistant Account Executive position.

I have a unique set of skills honed through traveling the world and meeting people from all walks of life. I have a growth mindset, I am highly adaptable, my unquenchable curiosity drives me to learn about everything around me, on top of that, my jovial personality makes it a pleasure to work with =). Given my background as sales manager at AT&T, Co-founder & Partner of a growing business consulting firm, and Management Consulting, I believe I can be of service to your company.

Despite being a major powerhouse in traditional advertising, Grey has an agile and adaptive approach to the ever changing digital marketing. Creating pop up stores to engage consumers, Utilizing social media to embrace the idea of “let go of perfection”, actively shaping global brand perception through online presence. As both a citizen of the world, and a digital native, I am confident I can contribute to any projects Grey plans to take on.

If given the chance, I would love the opportunity to sit down with you to further discuss my qualifications and, if you’ll allow, about my “side hustle”. Attached is my resume, please let me know if I can reach you via Email or Phone. I sincerely and in all earnest look forward to hearing from you.

Best Regards,

Kyle Wang
